Linda D'Amico's Academy of Dance

WHO WE ARE

LDAD is proud to train dancers of all levels to express themselves through the art of dance . A family-friendly and local dance studio located in North Jersey, we are honored to have shared our love of dance for over 40 years. From our youngest Pre-K ballerinas to our beautiful recreational Performance Troupe, and fierce national award winning competitors, we pride ourselves in making the love and passion of dance our number one priority! LDAD is more than just a place to come and learn how to dance - this is a place where lifetime friendships are made, confidence is built, and boundaries are pushed. Coordination, strength, grace and agility are nurtured to create headstrong, charismatic young adults equipped with life lessons needed to take on life's journey no matter where it takes them!

WHAT WE OFFER

BALLET

TAP

JAZZ

LYRICAL

ACROBATICS

JAZZ FUNK

CONTEMPORARY

MODERN

HIP HOP

BALLET POINTE

RECREATIONAL DANCE

Our longest standing program, our beloved recreational dance program is the place for dancers to discover their love of dance, grow confidence, build life changing skills, and find long lasting friendships. We welcome dancers at all levels, big and small! Rec dancers perform in our annual recital and showcases.

PERFORMANCE TROUPE

A new dance team, our Performance Troupe has been created to offer students a chance to choreograph, broaden and deepen their knowledge of dance, and perform and learn at various dance events throughout the year. With manageable requirements, the performance troupe gives students the ability to fit more dance into their schedules.

THE DANCE PROJECT

Our competition team, THE DANCE PROJECT, offers additional classes to improve technique. We strive to provide the opportunity for our dancers to take their passion and love for dance to the next level. THE DANCE PROJECT performs at various events, including regional competitions across the tri state area. To set up an audition for the team, contact us at TheDanceProject@lindadance.com
